For internal use, it would be good to have a planned inspection date for planning purposes. It doesn't need to be put in the daily updates

Can we split the **status summary** into 3 columns:  
(1) INSPECTED. ( and then just plug in the date, otherwise blank)  
(2) OFFSITE RELEASE? ( yes, no or blank).  
(3) ONSITE DAMAGE? (Yes, no or blank)

Carl,

Below and attached is the revised table based on your input yesterday. Let me know if you want us to use this for today's report.

DRAFT
